POSITION DESCRIPTION

Lighting Rigger & Followspot Operator

Position Title: Lighting Rigger & Followspot Operator
Department: Major Projects
Location: Based at The Opera Centre, Sydney, but may be required to work and/or be based at project locations or other company work locations, as required.
Classification: Production
Employment Type: Temporary Contract

The Company

Opera Australia is Australia's national opera company, dedicated to enriching Australia's cultural life with exceptional opera and sustaining and developing the art form.

Opera Australia is the largest and busiest performing arts organisation in Australia, with over 600 opera performances a year, including two opera seasons in Sydney and Melbourne, Opera on Sydney Harbour, musical theatre, opera concerts and a range of other activities. Through its touring arm, the Company reaches out to communities in regional Australia, and delivers an exciting program to school students. Opera performances are broadcast and distributed nationally and internationally.

Opera Australia casts its productions from an ensemble of Australian artists - opera singers, dancers, conductors and repetiteurs, with regular appearances by international guest artists. The Company manages the Australian Opera and Ballet Orchestra and also works in partnership with Orchestra Victoria. The Company works with leading directors and designers, and employs a large number of highly skilled people in the areas of scenic construction and painting, wardrobe and wig-making, stage production, and management and administration. Overall, the Company plays a vital role in developing and sustaining a specialist skills base in this unique area of the performing arts.

For further information please refer to our website at opera.org.au.

The Major Projects Department

The department is responsible for the development and implementation of large scale projects, such as Handa Opera on Sydney Harbour, Opera on the Beach and Sydney Opera House – The Opera to high artistic, technical and operational standards.

Position Summary

The Lighting Rigger & Followspot Operator role will support the Lighting Department with setup and installation of the production and site lighting. This position will operate a Followspot and take direction from the Lighting Designer, Lead Followspot Operator and Head of Lighting. This position will also be responsible for maintaining the standard of lighting throughout the season.
Reporting Line

Reports to: Senior Site and Technical Production Manager, Head of Lighting and Lead Followspot Operator

Key Accountabilities

Key accountabilities include, but are not limited to the following:

Production

- Set-up and operate lighting equipment for performances, both as part of a team and individually;
- Assist with the install of production and site lighting, involving manual handling and working at heights;
- Operation of a Robert Juliet Cerano follow spot or similar;
- Deliver procedures and practices to comply with safety requirements;
- Participate in event and venue documentation, including fault reporting;
- Assist in venue and daily maintenance of the site;
- Working productively with the Lighting team, including staff from the contracting lighting equipment supply company, and
- Maintaining the artistic integrity of the Lighting Design.

Other

- Attend production and staff meetings and implement requests from these meetings as directed
- Follow all Work Health and Safety policies and guidelines, including but not limited to:
  a. Using equipment in the recommended manner and using safety and personal protective equipment as provided;
  b. Reporting immediately any hazards, unsafe work practices or incidents that you see to your Head of Department in the first instance, and if not sufficiently addressed to the Senior Site and Technical Production Manager;
  c. Adhering to safety solutions provided; and
  d. Participating and contributing to discussions on safety implementations as they arise;
- Undertake any other duties as required, which are within the limits of the employee’s skill, competence and training.
Common Accountabilities

Opera Australia is committed to the health, safety and wellbeing of its staff. The company and its staff must comply with a range of statutory requirements, including equal opportunity, work health and safety, privacy and trade practice. The Company also expects staff to comply with its policy and procedures, which relate to statutory requirements and our ways of working. Appointees are accountable for completing training on these matters and ensuring their knowledge, and the knowledge of their staff, is up to date.

All staff must:

- treat other staff and members of the public with respect
- act with integrity and meet the company’s high standards of personal and professional conduct
- take reasonable care of, and cooperate with actions taken to protect, the health and safety of both themselves and others;
- report incidents and hazards to their immediate manager as soon as practicable.

All Managers of staff and facilities must do whatever is reasonably practical to ensure that both the workplace and the work are safe, in consultation with staff affected.

Key Selection Criteria

The key selection criteria for the role are:

- Demonstrated experience working as part of a lighting team on professional large scale events or theatre;
- Practical knowledge on the operation of various lighting desks;
- Experience operating a Robert Juliet Cerano follow spot or similar;
- Capable to carry out manual handling tasks and comfortable working at heights;
- An understanding of the requirements in venue and daily maintenance of theatres or festival sites;
- Excellent organisation and communication skills, written and verbal;
- Demonstrate ability to work with creative and technical personnel and performers;
- Ability to work under pressure, using tact, diplomacy and flexibility;
- Knowledge and understanding of safe work practices; and
- Be available to work flexible hours including weekends and nights.

Other considerations

Appointment to this position is subject to the position holder having residency status and/or possessing a visa with work rights. Appointment may also be subject to passing a mandatory Working with Children check, where required by law. For some positions, an independent health and fitness check or criminal records check may also be required.

The role involves relocation to rehearsal and project venues as well as regular evening and weekend work.

This position description will be reviewed on a regular basis and changes made to reflect changes in the requirements of the role. Staff will be consulted in the process of review.
